"The Dollars of the Daddies"

You know how hard they were earned, how carefully they were husbanded, how judiciously they were invested.

The dollars grow into hundreds, the hundreds into houses, into farms, into wise and profitable business investments. These "dollars of the daddies" are the basis of our present prosperity. They were not lured into speculation, or into risky investments. The "daddies" demanded security and accepted the returns absolute safety gave.

What about your dollars? Are they absolutely safe? Make them so by starting an account with this institution at once and allow your mind to be relieved from all attendant worries occasioned by questionable financial deals.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some

Norwich People Know How To Save It.

Many Norwich people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is a Norwich citizen's recommendation.

Mrs. Amy M. Wilcox, living at 35 McKinnon Avenue, Norwich, Conn., says: "Doan's Kidney Pills are entitled to my strongest recommendation. Off and on for some time I was annoyed to quite an extent by a dull, heavy aching across my loins and kidneys. Those who have had a similar experience will realize how much music and inconvenience this ailment will cause. A friend, knowing how I was troubled, recommended Doan's Kidney Pills, and I procured them from N. D. Sevin & Son's drug store. They proved effective from the start, and it was only a short time before I was completely relieved."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
